METHODS finder

#### **APPLICATION**

- The gentle alkaline foam cleaner
- For removing animal and vegetable grease and oils, starch, protein
- For maintenance cleaning of washable and alkali-resistant surfaces and equipment (filling and packing plants, tanks, pipework, walls, floors, etc.)
- Applications: pharmaceutical and cosmetics industry, foodstuffs industry

#### **PROPERTIES**

- High-lather
- Slightly alkaline
- Unscented

#### **GOOD TO KNOW**

 Foaming devices are not suitable for storing liquids, empty and rinse out daily whenever in use

#### **PLEASE NOTE**

• Not suitable for alkali-sensitive surfaces (aluminium, etc.)

#### RECOMMENDED APPLICATION METHOD

#### Foam cleaning

Moisten surface to be cleaned with water thoroughly before use. Then apply the cleaning solution as a foam using a foaming device (using either a high or low-pressure device) starting at the bottom and working to the top. Allow the product to take effect as needed, without letting it dry. Work the cleaning solution in using an edge cleaning tool and white pad or Microsol fibre pad. Then rinse with water.

#### **STORAGE**

Store in original container at 15 to 25°C and protected from sunlight. Keep container closed when not in use.

Durability (unopened): 24 Month

Wetrok AG shall have no liability whatsoever for damage caused by incorrect use. Observe special cleaning and care instructions from the floor covering manufacturer.
