

PRODUCT DATASHEET

Floor cleaning - Industrial and deep cleaners

Minatol Uni Top

A high-performance industrial cleaner - its area of expertise:
Soot/smoke staining

Minatol Uni Top

pH value (Concentrate): 12–13

Important ingredients:

Chelating agents, Soap, Surfactants, Solvents, Fragrance

Recommended dosage:

Maintenance cleaning

0.1–0.3 l/10 l

Deep cleaning

0.5–2 l/10 l

5.0 l/10 l

**METHODS
finder**

APPLICATION

- Highly effective all-rounder, needs little mechanical power
- For removing highly greasy and oily stains and soot
- For cleaning washable alkali and solvent-resistant floor coverings and surfaces
- For cleaning machinery, motors, devices, barbecues, ovens, etc.

PROPERTIES

- Low lather
- Highly alkaline
- Contains solvents
- Unscented

PLEASE NOTE

- Not suitable for alkali-sensitive floor coverings and surfaces (linoleum, natural rubber, aluminium, enamel, etc.)

RECOMMENDED APPLICATION METHOD

Scrub drying in a single work step

Pour the cleaning solution into the fresh water tank. Remove any loose dirt by means of dust-binding mopping/dry vacuuming. Scrub-dry the floor covering thoroughly with a scrubber-dryer and a suitable pad or brush.

Wet mopping, two-step process

Remove any loose dirt (e.g. dust-binding mopping/dry vacuuming). Soak the mop with cleaning solution, wring it out slightly, wet mop the floor covering. Allow the cleaning solution to take effect without letting it dry! Use the rinsed and thoroughly wrung-out mop to remove the dissolved dirt and the remaining cleaning solution.

Wet wiping (by hand)

Wash the dirty surface with cleaning solution. Wet scrub using a suitable hand pad or brush. Use a cloth to remove the dissolved dirt and the remaining cleaning solution. Rinse the cleaned surface with clean, cold water and wipe it dry as needed.

STORAGE

Store in original container at 15 to 25°C and protected from sunlight. Keep container closed when not in use.

Durability (unopened): 24 Month

Wetrok AG shall have no liability whatsoever for damage caused by incorrect use. Observe special cleaning and care instructions from the floor covering manufacturer.
