Minatol Ergo Blanche

pH value (Concentrate): 12–13

Important ingredients:

Javel

Recommended dosage:

Deep cleaning
undiluted

METHODS
finder

APPLICATION

- Powerful, highly alkaline stain remover for sanitary areas (formerly known as mould remover)
- Removes black staining in bathtubs and showers with ease
- No mechanical pre-treatment required
- For surfaces made of natural and artificial stone, plastic and glass as well as painted and varnished surfaces

PROPERTIES

- Highly alkaline
- Strong bleaching effect

GOOD TO KNOW

- Use a cleaning cloth or paint roller to apply the product to the surface
- Ensure sufficient ventilation when using in indoor areas

PLEASE NOTE

- Do not pre-treat any stains mechanically
- Do not moisten plants, wood, textiles, cork or metals
- Observe the local waste water regulations!

RECOMMENDED APPLICATION METHOD

Wet mopping, single work step

Remove any loose dirt (e.g. dust-binding mopping/dry vacuuming). Soak the mop with cleaning solution, wring it out well, or use a pre-wetted mop. Wet mop the floor covering.

STORAGE

Durability (unopened): 24 Month

Wetrok AG shall have no liability whatsoever for damage caused by incorrect use. Observe special cleaning and care instructions from the floor covering manufacturer.
