METHODS  
finder

**APPLICATION**

- For maintaining and revitalizing worn oiled wood floors
- Maintains the appearance of oiled floors
- For comprehensive care or partial improvement

**PROPERTIES**

- Aqueous linseed oil emulsion
- Matt to satin finish
- Free of volatile solvents

**PLEASE NOTE**

- Shake well before use
- Maintaining the wooden flooring with Leinol Refresh is no substitute for re-oiling with Leinol NW.
- Textiles that come into contact with the product are at risk of spontaneous combustion when drying

**RECOMMENDED APPLICATION METHOD**

**Oil treatment, renewing**

The floor must be dry, clean and absorbent. Dry vacuum/mop the floor covering to collect dust. Apply a little oil and allow it to soak in. Equalise any excess oil immediately. Drying time until fully usable: at least 12 h.

**STORAGE**

Store in original container at 15 to 25°C and protected from sunlight. Keep container closed when not in use.

*Durability (unopened): 24 Month*
